

LIMESTONE RESTORER

Concrete, Unpolished limestone & cast stone cleaner

DESCRIPTION AND USE

Sure Klean Limestone Restorer is a concentrated acidic cleaner for unpolished limestone, concrete and cast stone surfaces. Safely removes atmospheric dirt, mildew and many other surface stains without risk of bleaching or discoloration. Ideal for lightly to moderately soiled surfaces.

PREPARATION

Protect people, vehicles, property, plants, and all nonmasonry and acid-sensitive surfaces from cleaner.

Finish cleaning before installing windows, doors, hardware, light fixtures, roofing materials and other nonmasonry items. If already installed, protect before cleaning. Caulking and sealant materials should be in place and thoroughly cured before cleaning begins.

Equipment

Apply using a densely-filled masonry washing (tampico) brush, roller or low pressure (50 psi maximum) spray.

APPLICATION

ALWAYS TEST each type of surface and each type of stain for suitability, dilution and desired results before overall application.

Dilutions

Dilute with a minimum two parts and up to six parts water to one part concentrate. Test panels should determine effectiveness of the cleaning solution and proper dilution ratio.

Application Instructions

1. Prewet the surface with clean water.
2. Apply the diluted cleaning solution liberally to the masonry surface using low pressure spray (50 psi max), roller or brush.
3. Let the cleaning solution dwell 3-5 minutes. Reapply. Light agitation improves cleaning results.
4. Rinse the treated area thoroughly using pressure water equipment or a garden hose with nozzle adjusted to a tight stream. Rinse from the bottom of the treated area to the top, covering each section with a concentrated stream of water.

SAFETY INFORMATION

Product contains hydrochloric & hydroxyacetic acid. MSDS and Spec Data sheets should be referred to prior to use.

COVERAGE & PACKAGING

| Substrate | Type | Use? | Coverage |
|-----------------------------------|----------------|------|-----------------|
| Architectural Concrete Block | Smooth | yes | 100-300 sq. ft. |
| | Split-Faced | yes | |
| | Burnished | yes | |
| | Ribbed | yes | |
| Concrete | Brick | yes | 100-300 sq. ft. |
| | Tile | yes | |
| | Precast Panels | yes | |
| | Pavers | yes | |
| | Cast-in-place | yes | |
| Fired Clay | Brick | yes | 150-400 sq. ft. |
| | Tile | yes | |
| | Terra Cotta | yes | |
| | Pavers | yes | |
| Granite | Polished | no | N/A |
| | Unpolished | yes | 300-400 sq. ft. |
| Marble Travertine Limestone | Polished | no | N/A |
| | Unpolished | yes | 100-250 sq. ft. |
| Sandstone | Unpolished | yes | 100-250 sq. ft. |
| GRFC | Smooth | yes | 150-500 sq. ft. |
| Slate | Unpolished | yes | 300-400 sq. ft. |

Available in 1, 5 and 55 gallon containers
